Sir:

Applicant submits this Request for Reconsideration in response to the Final Office Action mailed March 21, 2002. Applicant requests reconsideration of the application in view of the remarks that follow.

REMARKS

Claims 1-22 and 24 are pending in the above-referenced patent application. Claims 14-22 are provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1, 2, 4-12, 24 and 29-33 of copending U.S. Patent Application No. 08/483,944. Claims 1-5, 7-10, 12-22 and 24 are rejected under 35 U.S.C. § 112, first paragraph, as being allegedly non-enabled by the specification as filed.
